

Sunday, March 8, 1-3 pm, Book Signing Event at Ragged Island Brewery, Portsmouth, RI
An exciting author event at a picturesque venue!

Ragged Island Brewery of Portsmouth, RI, is a highly popular establishment on Acquidneck Island. The brewery boasts an impressive 37-acre property with a botanical garden in an enclosed greenhouse, just off the taproom. A warm and welcoming establishment with a substantial walk-in crowd, Ragged Island frequently schedules music events, food trucks and always serves great beer!

Ragged Island has graciously agreed to host THREE ARIA authors in their beautiful greenhouse.

There is no fee. Our host will provide a small table and a chair. Ragged Island has a substantial social media presence and will post about this event, but ARIA authors should make use of their own advertising materials as well.

Ragged Island Brewery is an excellent site with great potential for future events, both small and large!

Come with your books and stay awhile to enjoy their wide selection of craft beers!
